

**Christ UMC Community
Garden
Roswell, Georgia**

APPLICATION

NAME:

ADDRESS:

Phone: _____ Cell: _____

Email Address:

Donation of harvest: We recommend that gardeners donate their first harvest, or "first fruits" to North Fulton Community Charity located at 11270 Elkins Road, Roswell GA 30075. For more information on donation visit www.nfcchelp.org

Preparing soil: Each gardener is responsible for fortifying, tilling, applying fertilizer, harvest, and end-of-season clean up of their plot.

Pesticides and Natural Predators:

Gardeners should limit the use of pesticides. Gardeners should keep in mind that Geese frequent the garden area and prepare accordingly.

Crops: Trailing vines such as pumpkins and watermelons, and shading crops such as corn, should be planted after careful consideration so as not to impede upon neighboring plots.

Signature:

Date

By signing this document, I agree to comply with the terms listed above. Make checks payable to Christ UMC with *garden* in the memo.
