

Donate to the Garden

Christ UMC Community Garden

Christ UMC with the help of Boy Scout David Egbert; who is working on his Eagle Project- is preparing **Phase One** of our *Raised Bed Community Garden*. David's project contains 20 raised beds filled with garden soil; each raised bed is 4 feet by 12 feet and 8 inches tall.

One raised bed filled with garden soil will cost the scout approximately \$65.00 to build.

If you would like to donate the cost of a raised bed please do so. You **do not** have to garden to make a donation. If you donate the cost of the raised bed you do not have to pay the \$10.00 raised bed rental fee.

Our Mission is to make disciples for Jesus Christ, and provide an atmosphere of Love, Caring and Kindness for fellowship. To cultivate green space and inspire a community of environmental stewards, creating a safe environment for activities and events.

Our Vision is to actively engage youth, families and individuals of the community through organized programs, classes, and events that develop creative skills in gardening, health, nutrition, and spiritual growth. To serve as a community garden, nature center, neighborhood meeting place. Education is the key and we embrace community engagement and are receptive to the needs of the community through cooperation between people that live, work and play within our community.

Make your check payable to CUMC and write *garden* in the memo section.

Place in the collection plate or give to Debbie Lundstrom
